

LIQUID EDTA CHELATED ZINC

9% ZINC

GUARANTEED ANALYSIS

Zinc (Zn).....9.0%
9.0% Chelated zinc
Derived from zinc EDTA

CAUTION:

This fertilizer contains zinc and should be used only as recommended. It may prove harmful when misused.

PRODUCT INFORMATION:

Marco Liquid EDTA Chelated Zinc (9% Zn) is a fully chelated solution recommended for the prevention and/or correction of zinc deficiency in all crops when used as a part of a balanced fertility program.

RECOMMENDED RATES:

Soil Application: Marco Liquid EDTA Chelated Zinc (9% Zn) is recommended for use on all types of soils. Because this is a concentrated solution, it should be diluted before use to ensure uniform coverage. Soil applications may be made by drip, sprinkler or furrow irrigation systems or in band or broadcast fertilizer applications. For individual plants, the product may be diluted as above or sprinkled directly on the soil uniformly under the plant's drip line, then watered in.

Field and Row Crops: Apply 2-8 quarts per acre.

NOTE: The rates given above are based on broadcast application.

Foliar Application: Avoid applying this product when plants are suffering from moisture stress. If there is any doubt, apply the spray solution to a small test area of the crop or foliage to assess any undesirable effects or phytotoxicity before general application.

Field and Row Crops: Apply 1-2 pints per acre in a minimum of 20 gallons of water.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements.

MIXING AND HANDLING INSTRUCTIONS:

Fill mix tank with half of the required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with the remainder of the water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application.

Do not apply near water, storm drains, or drainage ditches. Do not apply if heavy rains are expected.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage and disposal. Keep out of reach of children. Store away from incompatible materials. Dispose of contents/container in accordance with local requirements.

IMPORTANT: READ BEFORE USE: Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY: Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. To the extent consistent with applicable law, it is the Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product, at Buyer's choice. To the extent consistent with applicable law, Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS.

LEGAL RIGHTS: THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.
